PRYORS HAYES GOLF CLUB

PRYORS HAYES GOLF CLUB

Pryors Hayes Golf Course is located in the picturesque Cheshire countryside just six miles from the historic walled city of Chester.

It is situated off the A54 between Chester and Manchester in the village of Oscroft and is within easy reach of Chester, Manchester, Liverpool and North Wales.

It is an 18-hole course and was designed by John Day, an internationally renowned golf course architect and has won several prestigious awards in 2005 for both the course and clubhouse.

Pryors Hayes was officially opened in June 1993 and has quickly established a reputation for being a friendly Club with excellent catering facilities. Visitors and societies are offered a warm welcome and many return each year.

The course – a challenging test of good accurate play

Pryors Hayes is an 18-hole parkland course set in very peaceful surroundings. The front nine holes have two par 4 holes over 450 yards and the par 3 16th requires nerves of steel.

Extensive use has been made of the ponds that exist on the course and these come into play on eight of the 18 holes, but the main feature of the course is its small greens, which require thoughtful and accurate approach shots.

One visiting group summed this up with the following comment: - ***“It provided us with the sort of challenge we were looking for, demanding good accurate play but without the physical effort needed to play some of the hilly courses in the Cheshire/North Wales area”.***

The Clubhouse – a cosy atmosphere with excellent catering

The recently extended and renovated Clubhouse is pine log cabin, which adds to the Club's cosy atmosphere. There are two television areas with Satellite TV and a lounge area, both of which are accessible to the bar and from where a tasty snack or meal may be enjoyed.

The Golf Store

The Pro Shop at Pryors Hayes offers a wide range of stock and specialises in Wilson Golf Clubs and accessories together with Footjoy, Stuburt and Etonic shoes together with a varied selection of Golf Wear. There is always a large stock to hand of everything a golfer needs. Private tuition is available all year round and group tuition in the summer months.

Membership – equal rights for all members

The Club operates an equal rights policy for both male and female members and although it is a privately owned Club, the members are responsible for the organisation of all the golf activities via various committees.

There are competitions both at weekends and mid-week in both winter and summer, including several evening fun competitions.

We offer four 'Open' competitions during the summer, incorporating a mixed open, senior's open and two ladies open. The Club has a very successful seniors section that meet on Tuesdays to play in their own weekly competition and a ladies section that meet on a Thursday and Saturday.
